# SIPP benefit form – annuity

This benefit form must be completed if you wish to purchase a lifetime annuity and would like AJ Bell Youinvest to pay you a tax free lump sum. Please complete all sections of this form including Part A of the annuity discharge form. You should then send the form to your insurance company who should complete Part B of the annuity discharge form and return it to us.

If you wish to transfer part, or all, of your SIPP to an insurance company to purchase an immediate annuity, and for them to pay out any tax free lump sum please do not complete this form. You should complete a transfer out form.

Taking benefits from your pension is an important decision. We recommend that you take advice from a regulated financial adviser before making your decision.

You are also entitled to free, impartial guidance on your options from the Government backed Pension Wise service. You can access this online at [www.pensionwise.gov.uk](http://www.pensionwise.gov.uk), book a telephone appointment by calling 0800 280 8880 or arrange a face-to-face meeting through your local Citizens Advice Bureau. This is not a substitute for full, regulated financial advice.

## Evidence of age

To allow us to complete your instructions, we will use age verification systems to confirm your date of birth. If our searches are unable to verify your age we will request further evidence from you which may include a copy of your birth certificate or your marriage certificate if applicable. We will need to complete this verification before any benefits can be paid. Alternatively, you can send us a copy of your current signed passport or driving licence, showing your date of birth and full name. Copies MUST be certified by an independent person (not a family member), who must also provide their full name, address and daytime contact telephone number.

Please use BLOCK CAPITALS only and blue or black ink, ticking boxes where appropriate.

If you would like a copy of this, or any other item of our literature, in large print, Braille or audio format, please contact us on 0345 54 32 600 or by email at [enquiry@youinvest.co.uk](mailto:enquiry@youinvest.co.uk).

## Points to consider before taking benefits

It is important that you consider and understand the risks associated with the type of benefits you wish to take from your SIPP. Please read the following questions and answer Yes/No as appropriate. Please also read and consider the risk statements which follow each question before completing the rest of this form.

Please note that you must complete this section for us to be able to process your benefits.

Have you considered a range of annuity providers and products?

Yes  No

If you shop around a range of annuity providers you may find you can obtain a better value annuity than the one you have chosen.

Your health and lifestyle may mean you are eligible for an annuity offering higher payments. You should give your annuity provider information about your health or lifestyle factors.

If you choose an annuity where payments don't increase with inflation each year, the purchasing power of the payments you receive will fall over time.

An annuity can provide pension and lump sum benefits to others after your death. When choosing an annuity you should consider whether others may be relying on the annuity after your death.

Are you sure that it is the right time to purchase an annuity?

Yes  No

Your choice to purchase an annuity is a one-off decision that cannot be reversed. Your circumstances may change in the future meaning your choice of annuity is no longer right for you. The timing of your annuity purchase is important as the annuity market may be low when you choose to purchase the annuity.

## Future pension contributions

If you have not previously flexibly accessed your pension benefits and you are purchasing a traditional lifetime annuity you will continue to have an annual allowance of £40,000 gross.

If you have previously accessed flexible benefits, or if you are purchasing a flexible annuity offering payments that can decrease in value, the amount you can contribute to all money purchase pensions each year, including your SIPP, and receive tax relief on those contributions, will be £4,000 gross.

**I have read and understood all of the above questions and risk statements. Having considered the risks I confirm that I wish to proceed with my application for benefits (please tick).**

## Death benefit expression of wishes

If you are not using all your SIPP to purchase an annuity then please complete this section. The scheme administrator will use your remaining pension fund to provide benefits for your spouse, civil partner, dependants, members of your family, or other nominated beneficiaries.

The nomination below ensures that as wide a range of people as possible are eligible to receive death benefits. Please read our “Death benefit expression of wishes guide” for help with completing the form.

Please note that if you are unsure about the implications of making the nomination and related expression of wishes or would like any advice about the effect of doing so, you should consult a financial adviser or other appropriately qualified professional.

In particular, I understand that the value used for some types of investment (e.g. UK quoted stocks and shares) for this purpose may be different to that shown on my valuation statements.

I declare that:

- iii) I agree that I will indemnify the scheme administrator against any liability to pay any tax or other charges which arise out of the provision of false or misleading information.
- iv) I understand the risks associated with taking benefits, as set out in the AJ Bell Youinvest SIPP benefits guide.
