These are the Terms for the AJ Bell Youinvest SIPP, ISA, Lifetime ISA, Junior ISA and Dealing Account. Please refer to clause 1.3 for further details of the Agreement between you and AJ Bell.

In these Terms AJ Bell means either AJ Bell Management Limited or AJ Bell Securities Limited or Sippdeal Trustees Limited or Lawshare Nominees Limited. The Services are provided by them as follows:

AJ Bell Management Limited authorised and regulated by the Financial Conduct Authority (FRN: 211468): provides Administration Services in relation to your SIPP.

AJ Bell Securities Limited authorised and regulated by the Financial Conduct Authority (FRN: 155593): provides the Dealing Service and the Custody Service and acts as the Account Manager for the AJ Bell Youinvest ISA, Lifetime ISA and Junior ISA.

Sippdeal Trustees Limited: acts as the trustee of the Scheme.

Lawshare Nominees Limited: acts as the Nominee.

The registered office of all of the above AJ Bell companies is at 4 Exchange Quay, Salford Quays, Manchester M5 3EE.

Reference in these terms to We, Us or Our is to the AJ Bell company which provides the relevant Service. Words that are capitalised have the specific meaning set out in the Definitions section at the end of these Terms.

Changes to these Terms

We may vary these Terms (including increasing the Charges) on giving You a minimum of 30 days' notice (except as provided below in the case of a change which is not disadvantageous and in clause 8.8). However, We do reserve the right in extreme circumstances to vary these Terms with shorter notice e.g. a change to Regulatory Requirements which We have to action immediately.

Any changes will come into force at the end of the notice period.

The typical valid reasons for varying the Terms are:

- changes in Regulatory Requirements
- changes in the way We operate Your Account
- changes in the way We operate the Services or the introduction of new services
- changes in the operation of the Markets, investment dealing or administration
- to avoid cross-subsidy between Accounts, customers or Products e.g. where the provision of certain Services is being charged on an uneconomic basis
- changes in ownership of Our business or how it operates
- changes in the operation of the Internet
- to remedy obvious errors

- to make these Terms clearer or easier to understand
- changes in the banking arrangements that apply to Your Account

If We give notice of an increase in the Transfer Out Charge for one of the above valid reasons, You will be offered an opportunity to Transfer Out at the existing Transfer Out Charge for a period of at least three months from the date of notification.

If We reasonably consider that an alteration to these Terms is not to Your disadvantage, We will not be required to give You any prior notice before making the change but will tell You about it within 30 days' of it having been made.

If We make a change to these Terms for a reason that is not set out above which is to Your disadvantage, You will be able to Transfer Out without paying the Transfer Out Charge for a period of at least three months from the date of notification.

- Taxation**
- 1.15 You are responsible for dealing with Your tax affairs, including completing and submitting any applicable tax returns. You are also responsible for checking that any information We provide You with about Your investments which is used for the purposes of completing any tax returns (e.g. details of dividend receipts and capital gains) is accurate and complete.
- 1.16 Any investment income received or gains made may be subject to tax. It is Your responsibility to report this information to HMRC and to pay any tax liability that arises. We are not responsible for any personal tax liability You may have in relation to Your Account.
- 2. Payments, Contributions, Subscriptions and Transfers to your Account**
- 2.1 Payments, Contributions, Subscriptions and Transfers in cash can only be made into Your Account in pounds sterling and as provided in relation to:

- 2.1.4 a Dealing Account on the Dealing Accounts section of the Website.
- 2.2 It may be up to 5 Business Days before Payments or Contributions or Subscriptions or Transfers made into Your Account in cash are available for use. - 2.4 A Government Bonus can only be claimed in respect of Subscriptions that are made to Your Lifetime ISA which satisfy HMRC's requirements under the ISA Regulations. - 2.5 If You or a third party claim that a Payment or Contribution or Subscription in cash has been made to Your Account in error or if We are unable to satisfactorily verify the source of any payment We receive, We reserve the right to only refund the payment, whether received by cheque, debit card, direct debit or other bank transfer, to the same account from which it came once the Payment or Contribution or Subscription has cleared.
- 2.6 You can only Transfer investments into Your Account that are included in the range of investments We permit at Our discretion for Your Account as specified in the Key Features for the relevant Product on the Website or in relation to a Dealing Account in the Dealing Account section of the Website.
- 2.7 We will only maintain Cash in Your Account in pounds sterling.
- 2.8 There is no limit on the amount of cash You can pay into Your Dealing Account.
- 2.9 As Your Account is execution only and We do not give advice, You are wholly responsible for initiating and co-ordinating the processing of Transfers.

- 2.12 We shall determine requests for the return of Payments or Contributions or Subscriptions entirely at Our discretion, but would normally only refuse a request if We believed it might breach a Regulatory Requirement. For example, a breach of HMRC rules. Any amount refunded may be less than that paid because of Our Charges, the performance of Your investments or tax, charges or interest applied by HMRC.
- ### 3. Access to the Website
- 3.1 We will provide You with a single username and password for the secure area of the Website. Use of the Website and any illustrations, tools or any other facilities made available on it is at Your risk and subject to the Website terms of use set out on the Website.
- 3.2 You must keep Your password safe and confidential and notify Us immediately if it is lost or compromised.
- 3.3 You can appoint a Representative to have Dealing Access or View Only Access to Your Account by notifying Us in writing using the Representative instruction form available on the Website. If the Representative does not already have a Dealing Account, the Representative will need to apply to open a Dealing Account in the normal manner and once that Dealing Account has been opened for the Representative that appointment will take effect.
- 3.4 You can appoint an Account Lead to have View Only Access or Dealing Access to Your Account by notifying Us in writing using the family linking application form available on the Website. The appointment will take effect once We notify You that Your Account has been linked with Your Account Lead's Account.
- 3.5 If You appoint a Representative or an Account Lead in accordance with this clause 3, that appointment will apply in relation to all of Your Accounts, including any You open at a later date.
- 3.6 If You appoint a Representative or an Account Lead who has Dealing Access:
- 3.6.1 they will be able to buy and sell investments, create and respond to Secure Messages and give Us instructions in relation to Corporate Action events in relation to Your Account(s)
- 3.6.2 We will be entitled to rely on any instruction they give Us, including (without limitation) any Order they place, even if those instructions conflict with Your wishes and
- 3.6.3 You will remain responsible for instructions they give Us and actions they take until We confirm to You by Secure Message that We have actioned any written notice You give Us for the cancellation of the appointment.

- 4.2 Some of the Data made available on the Website is provided by Third Party Service Providers. We do not guarantee the accuracy, completeness, timeliness or correct sequencing of any such Data on the Website nor are We responsible for any decision made or action taken in reliance upon that Data or the interruption of any Data.

- 4.6 The Website may not support Your browser or be fully compatible with Your computer.

5. Dealing

Permitted Investments

- 5.1 You may only place Orders for Permitted Investments.
- 5.2 We may alter the Permitted Investments range at any time without notice and require the sale (or at Our discretion if the related Regulatory Requirements permit, Transfer Out or Withdrawal) of investments removed from it, but will only normally do so if, for example, purchasing or holding the investment might result in a breach of any Regulatory Requirement or if it could result in Us incurring liability in excess of the value of the investment or if We consider that the investment is too complex or costly to administer.
- 5.3 We reserve the right to refuse to act on any instruction from You in relation to a Permitted Investment, which could result in a breach of a Regulatory Requirement, or if the instruction has already been acted upon, to take such action as We consider appropriate to reverse the instruction.

Placing Orders

- 5.4 In placing an Order, You consent to Our Order Execution Policy. If We materially change the Order Execution Policy, We will inform You of the changes and You will be deemed to have consented to the new Order Execution Policy the next time you submit an Order.
- 5.5 When an Order is placed We act as Your agent which means that You are entering into a contract for the sale or purchase of the relevant investment directly with the buyer or seller and not with Us. Any price You are given or Cost You are advised of, whether on the Website or otherwise, will be indicative only because market prices can change at any time. We do not warrant or guarantee the accuracy of the price or the Cost.
- 5.6 You can place Orders via the Website or by telephone but not by Secure Message or email. If You place an Order by telephone, We will ask You to confirm Your identity and may not accept Your Order if You are unable to do so to Our satisfaction. We shall be entitled to treat as genuine any Order placed by telephone (subject to proof of Your identity) or via the Website.
- 5.7 You are responsible for the accuracy of Your Orders. You will not be able to cancel or change an Order after You have submitted it. You can amend or cancel a Limit Order or Stop Loss Order at any time unless the Order is in the process of being, or has been partially, fulfilled. Please also see the specific provisions in relation to Regular Investment Instructions in clause 5.34 and Dividend Reinvestment Orders in clause 6.5.
- 5.8 Following a Transfer of existing investments to Your Account which are not converted into cash, You will not be able to deal in any of the transferred investments until We have received confirmation that they are registered in the name of Our Nominee or held to Our order by a Third Party Custodian.
- 5.9 We will only accept Orders for:
 - 5.9.1 US securities if You have signed and completed a W8BEN form (or other requisite form)
 - 5.9.2 Canadian securities if You have signed and completed a NR301 form (or other requisite form).
- 5.10 Except as provided in clause 9.15, if You instruct Us to Transfer Out an Account, We will in relation to such Account (but not any other Account You may hold):
 - 5.10.1 not accept any further Orders
 - 5.10.2 delete any standing Regular Investment Instructions and Dividend Reinvestment Orders
 - 5.10.3 not execute any further Regular Investment Orders and

5.10.4 if for any reason a Regular Investment Instruction remains active on the Account on an Investment Day, We will not execute that Regular Investment Order and will instead delete the instruction.

What happens when an Order is placed?

5.11 On the day on which an Order is placed, if it is a:

5.11.1 Buy Order:

5.11.1.1 for a Forward Priced Investment, other than a Pre-paid Investment, We will denote it as a pending transaction in Your Account and earmark the amount of Cash required to complete the purchase in Your Account (on the basis of the most recent price available to Us for the investment) so that it cannot be used any other purpose. We will only deduct the amount of Cash required to complete the purchase from Your Account and add details of the investments purchased to Your Account once the Order has been executed in accordance with clause 5.18 below; or

5.11.1.2 for a Pre-paid Investment, We will denote it as a pending transaction in Your Account but will continue to show the amount of Cash specified in the Order in Your Account until We receive the contract note from the investment provider after the Order has been executed, at which time We will add details of the investment to Your Account and remove the Cash. Notwithstanding that the amount of the Cash specified in the Order will still be shown in Your Account until receipt of the contract note, You will not be able to use it for any other purpose as We will pay the Cash to the investment provider when the Order is submitted to enable the purchase to be completed; or

5.11.1.3 for any other type of investment, We will deduct the amount of Cash required to complete the purchase from Your Account and will add details of the investments purchased to Your Account.

5.11.2 Sell Order:

5.11.2.1 for a Forward Priced Investment, We will denote it as a pending transaction in Your Account and earmark the investments being sold in Your Account (on the basis of the most recent price available to Us for the investment) so that

they cannot be dealt with in any other way. We will only remove the investments being sold from Your Account and add the amount of the sale proceeds to Your Account, once the Order has been executed in accordance with clause 5.18; or

5.11.2.2 for any other type of Investment, We will remove the investments being sold from Your Account and will add the amount of the sale proceeds to Your Account,

but please refer to clause 5.50 below for details of the circumstances in which We may reverse those transaction entries.

Order execution

5.12 As We only maintain cash in Your Account in pounds sterling, if We have to execute an Order or receive a dividend or other Corporate Action event payment in relation to a Permitted Investment in another currency, We will carry out a foreign exchange transaction to convert the consideration or dividend or other payment to or from pounds sterling, as the circumstances require. Please refer to the Charges and Rates Page for details of the related currency conversion charges.

5.13 We reserve the right for any reason to refuse to execute an Order but We will act reasonably in so doing, or there may be circumstances (including (without limitation) suspension of dealing in extreme market conditions) in which We may not be able to execute an Order. Whatever the reason or circumstance, We will, if possible, notify You of the reason.

5.14 We will only execute an Order if You have sufficient Available Cash or Available Investments to satisfy Your Order and all related charges. When assessing the amount of Available Cash, You should take account of any other payments (e.g. Our Charges) that may be debited from Your Account before when the Order is due to be executed. Please note the provisions of clause 5.8 in this regard.

5.15 Subject to clause 5.7, a Limit Order or Stop Loss Order will remain open for 90 days or such shorter period as You specify unless you amend or cancel it. We will be entitled to rely on the Order whilst it remains open. It is Your responsibility to monitor any Limit Order or Stop Loss Order regularly. If You place a Limit Order and it is not executed immediately You agree that We do not need to publish or disclose details of Your Order to other market participants. We will use best endeavours to execute a Limit Order or Stop Loss Order but may not be able to (even if the specified price is met) because of market conditions at the time or other factors outside Our control. Please also note the provisions of clauses 5.16 and 5.17.

- 5.16 If you place a Limit Order and there is a lack of liquidity in the relevant investment, We may only be able to execute part of Your Limit Order on a given day. If We do so, We will issue You a contract note to confirm. Please also note that if Your Limit Order is completed over a number of days, You will be charged Our standard Dealing Charge for each part of Your Limit Order that is executed, according to the manner in which the Order is placed i.e. online or by telephone.
- 5.17 We do not normally accept a Limit Order or Stop Loss Order for an investment which is traded on an overseas investment exchange, but may in Our discretion agree to do so if the counterparty with whom We are placing the Order accepts them, but will do so on the basis that the Order only remains open for the trading day on which the Order is accepted. If You wish to place a Limit Order or Stop Loss Order for an investment which is traded on an overseas investment exchange, You should contact Our dealing services team for confirmation that We will accept the Order before You place it.
- 5.18 Unless We notify You otherwise and provided the investment provider has not imposed an application condition and/or requirement for prefunding in relation to the Collective Investment, We will execute Orders for Collective Investments on a forward pricing basis, which means that your Order will be executed (depending on when it is received and the fund cut-off point) at the price determined at the fund's next valuation point. If the investment provider has imposed an application condition and/or requirement for prefunding in relation to the Collective Investment, You must place Your Order at least 2 Business Days prior to the fund cut-off point to allow sufficient time for Our administrative processes. If the fund cut-off point is not shown on the Website you should contact Our dealing services team for confirmation.
- 5.19 If You wish to invest in an investment (excluding Orders which are covered in clause 5.20) with a closing date for applications and which requires the completion of a paper application and the pre-funding of the cost (e.g. a structured product), We must receive Your investment instructions at least 3 Business Days prior to the closing date. An additional charge may apply for such investments. We will notify You in advance if this charge will apply.
- 5.20 If You wish to invest in an IPO, We must receive Your investment instructions no later than:
- 5.20.1 2 Business Days prior to the closing date for Your SIPP or Dealing Account;
- 5.20.2 5 Business Days prior to the closing date for Your ISA or Lifetime ISA or Junior ISA.
- 5.21 We may combine Your Order with other customers' Orders if We reasonably believe that this will not be to Your disadvantage. We may have to execute Your Order in tranches and provide an average price per Order.
- 5.22 We will tell You if We are unable to execute Your Order online. You can place the Order by telephone but We reserve the right to apply a Dealing Charge at the rate applicable to Telephone Orders. We will then endeavour to execute Your Order but cannot guarantee that it will be executed.
- 5.23 If a minimum investment size applies in relation to a Collective Investment, We may not be able to execute Your Order and will contact You for further instructions. There may be a delay in the execution of Your Order as a result.
- 5.24 We reserve the right to apply a Dealing Charge at the rate applicable to Telephone Orders if an Order, Limit Order or Stop Loss Order is not completed solely by electronic means even if that Order was placed via the Website.
- 5.25 If You submit a Buy Order for a Complex Financial Instrument, We may ask You to complete a questionnaire setting out details of Your investment experience to enable Us to assess whether the investment is appropriate for You. You must complete and return the questionnaire as soon as possible, as We will not be able to execute Your Order until We have completed the assessment and notified You of the outcome. When We have received Your completed questionnaire, We will ask You to confirm that You want to proceed with the Order. We may in certain circumstances consider that a Complex Financial Instrument is not appropriate for You. There may be a delay in, or We may refuse, the execution of Your Order as a result of this process.
- 5.26 We will execute Orders in more than one class of share and Buy and Sell Orders as separate transactions. We will apply a Dealing Charge for each separate Buy or Sell Order.
- 5.27 Our record of the time of receipt and execution of an Order will be conclusive unless it is obvious that it is wrong.
- 5.28 You must notify Us by Secure Message if You:
- 5.28.1 do not receive confirmation by Secure Message and/or email alert that We have executed Your Order and/or carried it out within 2 Business Days of You placing the Order or
- 5.28.2 receive confirmation of an Order, which You did not place or which has not been completed in accordance with Your instructions.
- ### Regular investments
- 5.29 We reserve the right to vary or supplement the range of Permitted Regular Investments at Our discretion.
- 5.30 The minimum amount You can invest in each Regular Investment is set out on the Regular Investments section of the Website.

- 5.31 Save as is otherwise provided, Regular Investment Orders are subject to the provisions of this clause 5 relating to the processing and execution of Orders. A Regular Investment Instruction may comprise one or more Regular Investment Orders.
- 5.32 We shall be entitled to rely on Your Regular Investment Instruction as it appears on the Website. It is Your responsibility to ensure that Your Regular Investment Instruction is accurately entered on the Website.
- 5.33 When You place a Regular Investment Instruction, You must specify:
- 5.33.1 the stock(s) or Collective Investment(s) You wish to invest in
- 5.33.2 the amount(s) You wish to invest.
- 5.34 You can cancel or amend a Regular Investment Instruction at any time before midnight on the day before the Investment Day. If You try to cancel or amend a Regular Investment Instruction on an Investment Day, the cancellation or amendment will not take effect until the next Investment Day.
- 5.35 If a stock or Collective Investment included in Your Regular Investment Instructions becomes unavailable for any reason or is withdrawn from the range of Permitted Regular Investments (each a "Regular Investment Default"), We will place a notice to that effect on the Regular Investments section of the Website. Any Order comprised in your Regular Investment Instructions which is subject to a Regular Investment Default will not be executed and will lapse.
- 5.36 We will only execute Your Regular Investment Instruction if You have enough Available Cash in Your Account at the time that the Regular Investment Orders are processed to satisfy each Regular Investment Order and related charges. If there is not enough Available Cash, none of Your Regular Investment Orders will be executed.
- 5.37 It is Your responsibility (generally but particularly in the circumstances described in clauses 5.35 and 5.36) to monitor Your Account and Regular Investment Instructions and:
- 5.37.1 take steps to amend your Regular Investment Instruction as soon as possible on Us giving notice of a Regular Investment Default and
- 5.37.2 anticipate the amount of Available Cash available and required on the Investment Day.
- 5.38 We will notify You by Secure Message if a Regular Investment Order fails for the reasons set out in clause 5.35 or 5.36.
- 5.39 We will use all reasonable endeavours (but cannot guarantee) to execute Your Regular Investment Instruction on the Investment Day at such time(s) as We consider appropriate. As We operate a policy of executing Regular Investment Instructions on a single Investment Day each month, your

Regular Investment Order(s) will be combined with the Orders of Our other customers. The combined Regular Investment Orders are generated via Our systems and once created they are then queued and executed sequentially over a period of time in the order in which they are created. We reserve the right to execute Regular Investment Instructions over several days, which may lead to Orders in the same securities being executed on different days at different prices, and in certain circumstances (e.g. if there is insufficient liquidity in the market, extreme market conditions, for operational reasons or due to systems failure or malfunction) to delay or postpone an Investment Day. The price of the investments may also be affected by market movements during the time when the Regular Investment Orders are queued in Our systems or in the intervening period if an Investment Day is delayed or postponed. We are not responsible for the effect of any such market movements on the value of Your investments.

- 5.40 If in Our opinion you have in any way abused the Regular Investment facility, We reserve the right at Our discretion to:
- 5.40.1 decline or delete a Regular Investment Instruction
- 5.40.2 refuse to execute any Regular Investment Order and
- 5.40.3 deduct as a debt from Your Account any loss of Dealing Charge as a consequence of You having abused the facility in order to pay a reduced Dealing Charge.

Conflicts

- 5.41 Circumstances may exist which give rise to a conflict between Our and Your interests or between You and another customer. To ensure that We take these into account when We execute Your Order, we have implemented a Conflicts Policy, which explains how conflicts can arise and the arrangements We have for managing them. The Conflicts Policy is available on the Website.

Settlement

Intended and actual settlement date

- 5.42 The date on which the settlement of an Order is due to take place is known as the intended settlement date (Intended Settlement Date). In the case of a sale Order, this is when We will normally receive the sale proceeds. In the case of a buy Order, this is when We will normally receive the investments.
- 5.43 Details of the Intended Settlement Date will be set out in the contract note. For most investments, other than Pre-paid Investments, settlement will take place between 1 and 5 Business Days after the Order is executed.

5.44 The date on which the settlement of an Order actually takes place is known as the actual settlement date (Actual Settlement Date). This may differ from the Intended Settlement Date.

Delays in settlement

5.45 You will be exposed to the risk of an Order not settling until such time as actual settlement takes place.

5.46 In some cases there may be delays in settlement which mean that it does not take place by the Intended Settlement Date. For example, as a result of the failure of the other party to the Order to comply with their obligations in a timely manner.

5.47 If there is a delay in settlement, We will continue to use reasonable endeavours to settle the Order for You, unless there is a Settlement Failure (please refer to clause 5.49 below). Notwithstanding that settlement may be delayed, You will remain bound by the Order.

5.48 We are not responsible for any delay in settlement as a result of circumstances which are beyond Our reasonable control or for the failure of any other person, including the buyer or seller with whom We have placed the Order on Your behalf, to do what is necessary in order for settlement to take place.

Settlement Failure

5.49 In some circumstances it may not be possible to settle an Order (Settlement Failure). For example, as a result of the failure of the other party to the Order to comply with their obligations. If there is a Settlement Failure, We will notify You and provide You with details of Your options. We will normally do this by Secure Message, but may use other means.

5.50 If for any reason (except as a consequence of Our wilful default, fraud or negligence) We reasonably consider that there will be a Settlement Failure, We may reverse the transaction entries made in Your Account in accordance with clause 5.11 above. We will notify You of the Settlement Failure, if We reverse any transactions.

5.51 If the other party to an Order fails to make payment or to deliver the investment, We will not be required to make payment of the sale proceeds or deliver the investment to You.

What happens on the Actual Settlement Date?

5.52 It is only when the settlement of an Order takes place on the Actual Settlement Date that You will no longer be exposed to the risk of a Settlement Failure.

5.53 Once actual settlement has taken place, You will then be able to withdraw the sale proceeds.

Contract notes

5.54 We will place an electronic copy of the contract note in the documents area of the Website by the end of the Business Day following that on which the Order moves to a status of “dealt” on the Website or in relation to Collective Investments by the end of the Business Day after that on which we receive it from the investment provider. We will normally send You a Secure Message and email alert informing You of the execution of the Order on the day that it is executed. Dealing charges will be reflected on Your contract note.

5.55 If You have not received notification of a contract note or seen it on the Website within 2 Business Days of the day on which You place an Order, You should notify Us immediately by Secure Message or email.

5.56 The contract note will show the amount debited from or credited to Your Account. You are responsible for checking that the information on the contract note is correct and informing Us as soon as possible if it is not.

6. Investment income, dividend reinvestment and corporate actions

Investment income

6.1 Dividends or other income will be credited to Your Account on the day We receive them, wherever practicable, but no later than 10 Business Days after receipt. We will make the payment based on information then available but may subsequently need to adjust it.

6.2 Details of the outcomes of other Corporate Actions (e.g. rights issues) will be recorded in Your Account on the day We receive them, wherever practicable, but no later than 10 Business Days after receipt. The day We receive them may be later than the published payment date.

Dividend Reinvestment

6.3 You may only place or amend a Dividend Reinvestment Order via the Website. Details of how to do this are set out in the FAQs on the Website. Save as is otherwise provided, Dividend Reinvestment Orders are subject to the provisions in clause 5 relating to the processing and execution of Orders. We will be entitled to rely on Your Dividend Reinvestment Order as it appears on the Website.

6.4 In order for a Dividend Reinvestment Order to apply to any particular dividend payment, You must place the Order no later than midnight on the first Business Day after that on which the dividend is credited to Your Account. If You place Your Order after that time, the Dividend Reinvestment Order may not take effect in relation to that dividend payment. If it does not, it will still take effect in relation to subsequent dividend payments.

- 6.5 You can cancel or change a Dividend Reinvestment Order at any time before midnight on the first Business Day after that on which the dividend is credited to Your Account. If You try to cancel or change a Dividend Reinvestment Order after that time, the cancellation or change may not take effect in relation to that dividend payment. If it does not, it will still take effect in relation to subsequent dividend payments.
- 6.6 We will only process Your Dividend Reinvestment Order if:
- 6.6.1 there is enough Available Cash in Your Account to make the Dividend Reinvestment and pay the related Charges; and
- 6.6.2 You hold at least one share in Your Account in the relevant Eligible Investment, at the time that We execute the Dividend Reinvestment Order. It is Your responsibility to ensure that You have sufficient Available Cash at that time. When assessing the amount of Available Cash, You should take account of any other payments (e.g. Our Charges, Regular Investments) that may be debited from Your Account before the Order is due to be executed.
- 6.7 Subject to clause 6.6 above:
- 6.7.1 We will use all reasonable endeavours (but cannot guarantee) to reinvest any cash dividend which We have credited to Your Account in the same type of Eligible Investment on the second Business Day after that on which the dividend payment is credited to Your Account, subject to the amount credited:
- 6.7.1.1 not being less than £10 (or such other minimum amount as may be specified on the Website from time to time); and
- 6.7.1.2 being sufficient to buy at least one share in the relevant Eligible Investment.
- 6.8 We reserve the right to execute Dividend Reinvestment Orders over several days where there is insufficient liquidity in the market to allow Us to execute on the second Business Day after the dividend payment is credited to Your Account and in certain circumstances (e.g. if the relevant Eligible Investment is not available, in extreme market conditions, for operational reasons or due to a systems failure or malfunction) to delay or postpone investments. The price of the investment may be affected by market movements in the intervening period. We will not be responsible for any Loss which You may incur as a result of such market movements.
- 6.9 Any Dividend Reinvestment Order you place will automatically lapse if You no longer hold at least one share in the relevant Eligible Investment in, or if You instruct Us to Transfer Out, the Account in which the relevant Eligible Investment is held.
- 6.10 We will not process dividend reinvestment plans or scrip dividends but will credit any additional Units We receive in lieu of cash to Your Account.
- 6.11 We only provide a Withholding Tax Service on overseas investments in selected markets and do not provide a tax reclaims service on overseas investments. You are responsible for checking whether We provide a With-holding Tax Service before You place an Order for an overseas investment.
- ### Corporate Actions
- 6.12 Unless exceptional circumstances apply, We will not pay and will be entitled to retain Cash Fractions received as a result of a Corporate Action.
- 6.13 We will use reasonable endeavours to notify You by Secure Message of a Corporate Action notified to Us by a company or Third Party Custodian and request Your instructions. If You do not give Us instructions in the manner We require at the time within the period specified in the Secure Message, the default option of the company will apply as advised by Us. The only exception is that We will always accept compulsory takeovers and mergers.
- 6.14 If the Corporate Action entails the payment of Cash from Your Account(s), e.g. a rights issue, it is Your responsibility to ensure that there is sufficient Available Cash in Your Account(s) to satisfy the payment when it falls due, in default of which We may exercise the right set out in clause 8.9 to sell investments. Any new investments arising from a Corporate Action must satisfy the qualifying Regulatory Requirements, in default of which We shall, subject to clause 11.15, deal with them in accordance with clause 8.9.
- 6.15 If a Corporate Action is subject to restrictions on the type of investor who can participate, it is Your responsibility to check that You are eligible. If You are not eligible to participate, the default option will apply.
- 6.16 As Your investments are held in a Pooled Investment Account, Your entitlement under a Corporate Action may differ from what You would be entitled to receive if You held the investment directly in Your own name.
- 6.17 We do not pass on shareholder perks and will not become involved in any shareholder interest groups.
- 6.18 In relation to investments held in Your SIPP, We do not provide company reports or accounts.
- 6.19 Unless there is a legal restriction which prevents Us doing so, if You make a separate request for each event, We will arrange:

- 6.19.1 In relation to investments held in Your ISA or Lifetime ISA or Junior ISA or Dealing Account, for You to receive annual reports and accounts
- 6.19.2 in relation to investments held in Your ISA or Lifetime ISA or Junior ISA, for You to:
 - 6.19.2.1 attend and vote at shareholder meetings and
 - 6.19.2.2 receive any other information (other than annual reports and accounts) issued to shareholders.

Title to Your investments

- 6.20 Except as provided in clause 6.21, the investments other than Cash in Your Account will be held in a Pooled Investment Account in the name of the Nominee or by an approved Third Party Custodian to Our order. You should note that:
 - 6.20.1 in the event of the failure of the Nominee or Third Party Custodian, Your claim will be for a share of the investments pooled in the event of a shortfall
 - 6.20.2 where Your investments are held in overseas jurisdictions it may not be possible under national law for them to be separately identifiable from investments belonging to the custodian which may increase Your risk and
 - 6.20.3 where it is necessary for accounts containing Your investments to be held outside the European Economic Area, the law in the jurisdiction in which they are held may mean that Your rights in respect of those investments will be different.
- 6.21 Share certificates or other documents evidencing title to investments in Your Account which are not held in electronic form will be held in the name of the Nominee.
- 6.22 We will be responsible for the acts and omissions of the Nominee to the same extent that We are responsible for Our own acts or omissions, but will not (in the absence of fraud or wilful default) be responsible for the acts and omissions of any sub-nominee, custodian, sub-custodian, securities depository, intermediate broker or agent, clearing or settlement system or participant in such a system.

General

- 6.23 We will credit Your Account twice a year with any portion of the Annual Management Charge We receive from an investment provider (whether in cash or units) in respect of any Collective Investment that is held in that Account which We are not entitled to retain under the Regulatory Requirements applicable at the time. If We receive the Annual Management Charge in cash and the amount received in respect of the relevant

Collective Investment is £1 or less per month, it will be credited to your Account in cash. If it exceeds that amount, the cash will be used to buy additional units in the Collective Investment or, if it is no longer a Permitted Investment, in a commission free share class in the same fund, and those additional units will then be credited to your account. No Dealing Charge will apply in relation to the purchase of those additional units. If applicable, You will be issued with a contract note in relation to the purchase of the additional units.

- 6.24 We will place an electronic copy of Your annual statement detailing the investments held in Your Account(s) in the documents area of the Website. We will advise You by Secure Message when this document is available to view.

7. Your cash

- 7.1 Sippdeal Trustees will hold Contributions paid and cash Transfers made into Your SIPP in a Pooled Bank Account with a Bank separate from cash belonging to it until We allocate them to Your SIPP Account. Once allocated to Your SIPP Account, Your SIPP Cash may be held either by Sippdeal Trustees or (in whole or in part) by another of Us in accordance with clause 7.2. Any of Your Cash which is held by Sippdeal Trustees, whether under this clause 7.1 or 7.2, will be protected by being held on trust in accordance with the Scheme Rules, and not as Client Money.
- 7.2 Except as provided in clause 7.1, We will hold Cash in Your Account in a Pooled Bank Account or in Pooled Bank Accounts with a Bank or Banks separate from cash belonging to Us. Any of Your SIPP Cash which is held pending investment from time to time, including the income from investments and proceeds from the sale of investments, may be held by Sippdeal Trustees until the Cash is required for investment purposes, at which point it will be transferred to AJ Bell Securities and held as Client Money. If at any time it is no longer required for investment purposes, it may be transferred back to Sippdeal Trustees.
- 7.3 To the extent permitted by the FCA Rules, We may hold Your Cash with a Bank on a fixed term deposit or in a notice account. We do this so We are able to place deposits with a wider range of Banks in order to reduce the exposure of Our customers to the risk of a Bank failure and to obtain better interest rates on the deposits, which help Us to keep Our charges low.

- 7.4 Our placing funds on a fixed term deposit or in a notice account means that the funds cannot be withdrawn until the expiry of the relevant fixed term or notice period. This should not affect Your ability to withdraw funds from Your Account, as We manage the funds We hold on behalf of all of Our customers in order to ensure that there are sufficient funds available to satisfy customer demand. In the event of Our or a Bank's failure, it may mean that those funds are not immediately available for distribution. Please also refer to clause 7.6 below.
- 7.5 Any of Your Cash which is held as Client Money from time to time may, to the extent permitted by the FCA Rules, be placed on deposit for a fixed term not exceeding 95 days or in a 95 days' notice account.
- 7.6 In the event of a Bank's failure, Your claim will be for a share of the cash held in all Pooled Bank Accounts at that Bank. You may also be able to claim against the Financial Services Compensation Scheme. Further details of that scheme are set out in clause 19.
- 7.7 We will not be responsible for the default or failure of a Bank.
- 7.8 Interest will be paid on Net Cash in Your Account at the rates and on the terms applicable to the relevant Product as set out and varied from time to time on the Charges and Rates Page. We will (and You authorise Us to) deduct such charges as HMRC imposes from time to time on interest payments.
- 8. Charges and deduction of cash from Your Account**
- 8.1 You agree to pay Us and authorise Us to deduct Charges and any Third Party Charges from Your Account when they are due. Our Dealing Charge will be reflected on Your contract note.
- 8.2 We reserve the right to make an additional charge of not more than £30 in any 12 months' period if We are required to pay a levy, or interim levy, under the Financial Services Compensation Scheme or by the FCA. Subject to which, We will apply the amount of the additional charge proportionately across all Our customer accounts in a manner We consider is fair and reasonable and We will explain the calculation of the charge to You. We will give You 30 days' notice of the amount of the additional charge before it is deducted from Your Account. Should any levy be refunded to Us by the Financial Services Compensation Scheme or the FCA, a proportionate amount of the refund will be credited to Your Account on the same basis as the charge was initially calculated.
- 8.3 If We omit to deduct all or part of any Charges or Third Party Charges from Your Account on the due date, We shall not subsequently be prevented from deducting such amounts or exercising any available remedy as a result of that omission.
- 8.4 All sums due under the Agreement are exclusive of VAT, which, unless otherwise stated, shall be payable in addition at the rate prevailing from time to time.
- 8.5 We reserve the right to vary the Charges for any of the reasons set out in the "Changes to these terms" section at the beginning of these Terms.
- 8.6 Investments You buy may have their own initial and ongoing charges. We are not responsible for informing You about those charges. We recommend that You obtain information about the applicable charges for investments before You buy them.
- 8.7 You accept that taxes and levies may be payable when certain investments are purchased that are not imposed by or payable via Us. Whenever reasonably practicable details of these additional costs will be made available to You before You place an Order for such investments, but it is Your responsibility to check whether they apply and, if they do the amount of those costs.
- 8.8 We may increase the Charges each year with effect from 1 January in line with the increase in the Average Weekly Earnings statistics published by the Government Office for National Statistics (or its successor body) (or such other index as We give you notice of as providing a reasonable indication of the increase in Our costs over the relevant period) for the twelve month period ending on 30 September in the preceding year. Before doing so, We would give You details of the increase.
- 8.9 We may deduct Cash from and/or sell any of the investments in Your Account to realise Cash if:
- 8.9.1 We are owed money from Your Account (including Charges or Third Party Charges which We have been unable or have omitted to deduct from Your Account)
- 8.9.2 Your Account has been credited in error
- 8.9.3 the Cash balance in Your Account has been in debit for more than 10 Business Days
- 8.9.4 We have not been able to satisfactorily verify the source of any payment which has been credited to Your Account
- 8.9.5 HMRC imposes a tax or other charge, fine or penalty on Us which relates to Your Account, for example, a charge in respect of an Unauthorised Payment or a Government Withdrawal Charge
- 8.9.6 if any investment held in Your Account ceases to be a Permitted Investment and You do not sell, Transfer or Withdraw the investment in accordance with Your obligations under clause 5.2 or clause 11.15, as applicable, within 20 Business Days of when We notify You that it is no longer a Permitted Investment or

- 8.9.7 if any investment arising from a Corporate Action does not satisfy the qualifying Regulatory Requirements and You do not sell, Transfer or Withdraw the investment in accordance with Your obligations under clause 5.2 or clause 11.15, as applicable, within 20 Business Days of when We notify You that it does not satisfy the qualifying Regulatory Requirements.
- 8.10 We will not in the circumstances envisaged:
- 8.10.1 in clause 8.9.1, sell any of Your investments without giving You at least 20 Business Days' notice
- 8.10.2 in clause 8.9.2, deduct Cash from Your Account without giving You at least 2 Business Days' notice or sell any of Your investments without giving You at least a further 10 Business Days' notice to credit Your Account
- 8.10.3 in clause 8.9.3, sell any of Your investments without giving You at least 5 Business Days' notice to credit Your Account
- 8.10.4 in clause 8.9.4, sell any of Your investments without giving You at least 5 Business Days' notice to provide Us with the evidence We require in order to satisfactorily verify the source of the relevant payment which has been credited to Your Account.
- 8.10.5 in clause 8.9.5, sell any of Your investments to make payment of a Government Withdrawal Charge without giving You at least 5 Business Days' notice to provide Us with the evidence We require in order to verify that the related Withdrawal should not be subject to that charge.
- 8.11 If We are unable to realise enough Cash to cover any of the circumstances set out in clause 8.9 by selling Your investments, You will be liable to Us personally for the shortfall.
- 8.12 We may also deduct from Your Account any legal or other fees We incur or become liable for as a result of Your failure to pay any other money due in respect of Your Account. If there is not sufficient Cash in Your Account, You will be liable to Us personally for any such fees.
- 8.13 We may also charge interest of 2% per year above the Bank of England base rate on any sums due to Us and unpaid with effect from 10 Business Days after when payment was due, which We are entitled to deduct from Your Account.
- 8.14 We and Our Associates are entitled to receive and retain:
- 8.14.1 the difference between the interest paid to Us or Our Associates by a Bank on the aggregate amount of the cash held by Us with the Bank and the interest We pay to You and
- 8.14.2 a commission on carrying out a foreign exchange transaction under clause 5.12, details of which are available on the Charges and Rates Page.
- ## 9. Transfers out and Withdrawals
- 9.1 To facilitate the payment of cash Withdrawals by electronic bank transfer You must provide Us with details of a nominated UK bank account in Your name or, in the case of a Joint Account, in the names of one or more of the Joint Account holders. Unless We agree otherwise, for security purposes We will only pay Withdrawals to that bank account and will only do so once We have verified its authenticity to Our satisfaction.
- 9.2 If You change Your nominated bank account, for security purposes We will only make payments to the new account once We have verified its authenticity to Our satisfaction. This may result in payment being delayed.
- 9.3 We will not ordinarily accept payments from a bank account which is not in Your name (either solely or jointly) or, in the case of a Joint Account, the names of one or more of the Joint Account holders. Current exceptions are:
- 9.3.1 Contributions made to Your SIPP

- 9.5.1 are unable to satisfactorily verify details of the nominated bank account to which payment is due to be made, including the full name and address of the bank account holder; or
- 9.5.2 reasonably believe that the payment has not been validly authorised or may involve the fraudulent use of Your Account.
- 9.6 To the extent that We consider that We are legally permitted to do so and it will not compromise our security procedures, We will inform You of the reason for the delay or refusal.

- 9.7 Should You wish to Transfer Out or Withdraw, You must instruct Us to do so in accordance with these Terms. If the Transfer Out is:
- 9.7.1 in the form of existing investments which are not to be converted into cash, except as provided in clause 9.8.1, We will arrange the Transfer Out of Your investments to Your new provider (subject to the new provider being able to hold the investments to be Transferred). If they are not able to do so, We will contact You to obtain further instructions, or
 - 9.7.2 in cash, You must arrange to sell Your investments and We will then send the Transfer Out value to Your new provider.
- 9.8 If the Transfer Out or Withdrawal is of:

- 9.10 We will manage the Transfer Out (insofar as it relates to Your ISA, Lifetime ISA or Junior ISA) in accordance with the ISA Regulations. A transfer to another Stocks and Shares ISA, Lifetime ISA or Junior ISA (as the case may be) shall include the transfer of the rights and obligations of each party to it.
- 9.11 A Withdrawal from Your Lifetime ISA may be subject to a Government Withdrawal Charge under the ISA Regulations. Please refer to the Lifetime ISA Key Features for further details of the circumstances in which a Government Withdrawal Charge will apply. We will apply a Government Withdrawal Charge if You or Your conveyancer have not provided Us with the information and documents We need in order to satisfy HMRC that a Government Withdrawal Charge is not payable under the ISA Regulations.
